SOLA

Welcome to SOLA, Canada's most tech innovative new luxury condo tower!

Living at SOLA, you'll always experience the true luxury lifestyle from the first moment you enter Calgary's premier new address. Your stylish grand arrival begins with the entrance which is inspired by nature, with the beautiful new treed landscaping that fuses the trendy new Kensington urban vibe. The lavish open lobby exudes with pure luxury, expansive ceilings, marble flooring, opulent artwork, and our calming design is your invitation to enter SOLA's 24/7 video secured entrance, with your personalized key fobs. It's ultra high tech luxury living & elegance from day one at SOLA.

SOLA's rich amenities are truly astounding & nothing else even comes close in current luxury pre-sales condo market in Calgary to our pricing levels. Your home is part of a 5 star luxury resort lifestyle, starting from the stunning penthouse terrace lounge with incredible views. Imagine relaxing with your closest friends around the outdoor heat lamps, sipping your favorite drinks while gazing at Calgary's stunning skyline & gorgeous sunset every evening to the West.

SOLA's state of the art rooftop fitness centre, available 24/7 for all residents, with floor to ceiling glass to enjoy the panoramic views, with latest cardio equipment & private yoga studio.

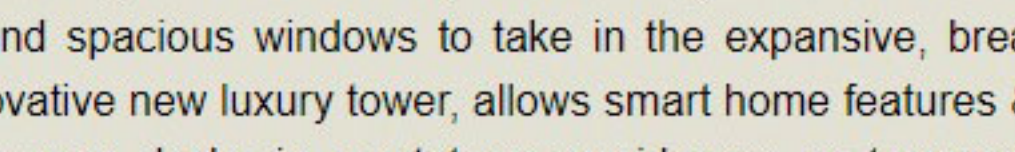

SOLA owners love their pets, so we decided to build the coolest new pet spa around built just for them! Pamper your dear four-legged friends in our conveniently located spa on the 2nd level of the parkade. If you love dog walks but would rather not bring the mud and mess into your new home, its added fun to use the pet wash and bathing station, with full grooming area & more!

Did we mention the private self serve car wash bay included for all residents? How about the first class bike locker racks, which are included for every SOLA buyer? You can leave all the grime of rainy or wintry weather outside on a bike ride, as we're also building a new heated bike repair, ski & snowboard mud room for all SOLA residents.

Wait there's so much more!! The list of luxury features goes on, for you to enjoy all of SOLA's ultimate living experience. Our SOLA Tech hub is also included, which give all residents gigabit ethernet speeds, which is the fastest internet speeds available in Western Canada for any new luxury tower.

SOLA Tech

With Ocgrow's strategic alliance with Amazon, Alexa is built into every luxury residence, all included for every buyer.

SOLA's interior design & luxury finishes are truly breathtaking. The residences at SOLA feature high 9' ceilings, open layouts and spacious windows to take in the expansive, breathtaking views. Living at Canada's most tech innovative new luxury tower, allows smart home features & voice technology like no other residence. Larger open decks in most tower residences or terraces in SOLA's ground floor townhomes, come with pure styled luxury interiors, including stainless steel appliances, quartz countertops, luxury flooring, water conservative shower heads, air conditioning, opulent cabinetry with soft close drawers & doors, luxury tiles floorings in bathrooms & so much more, all to create a timeless elegant spa like atmosphere.

Our VIP 1st release of units is now SOLD OUT!
